Dear Abe:

Our trip west with you is supposed to start just two weeks from now, so I am naturally getting a little concerned by not having received a schedule from you yet.

Do you want me to send publicity to you. What do you want, mats or pictures or both.

We received our first release of averages from The Elias Bureau. It is very interesting. Would you like me to ask Elias to send it to you. It is to be released weekly. If so I will ask him to.

Will appreciate very much hearing from you soon.

Very Truly Yours
